

KIRBY SMITH WINS LIBRARY CONTEST

According to the Returns Turned in to Sun Office.

HAS 78,866 VOTES IN THE LEAD

A Large Vote Was Cast the Past Week For the Leaders—Mrs. Nellie McKinstry Won The Sun's 10,000 Votes The Committee Will Make Award.

The voting in the library contest closed Saturday evening, and all the votes were handed in, giving Kirby Smith Chapter, U. D. C., the victory. The Chapter got 65,266 votes the past week, and the Odd Fellows' Home 44,465. There may be some slight errors in the adding up, but the results will be a victory for Kirby Smith, and to the earnest work of Mrs. J. F. McKinstry, Jr., to due much of the credit for the victory. She has worked to get votes for her favorite order, and is entitled to much credit.

The vote for the contest, as we have received it, stands:

| | |
|---------------------|---------|
| Kirby Smith Chapter | 267,079 |
| Odd Fellows' Home | 178,713 |
| Earnest Workers | 44,785 |
| Union Academy | 7,081 |
| High School | 5,695 |

HYDE'S FAREWELL SALE.

Will Give His Customers the Benefit of Great Bargains.

It is with regret that we announce the determination of G. W. Hyde, our leading dry goods, millinery and shoe dealer, to retire from business in Gainesville, as he has made many friends here by his fair dealing during the 13 years he has been identified with the mercantile interests of the city.

The sale opens on Saturday, October 21st, at 9 o'clock, and will continue indefinitely. In his advertisements he quotes many prices, which careful buyers are asked to peruse and see for themselves the bargain he offers all over the mammoth double-store. There will be nothing reserved, and as the stock is new and large, there will be a chance for all to make profitable purchases.

Mr. Hyde has not yet decided as to his future plans, but has decided to close out his stock and fixtures. The prices will, as the announcement states, be low, and those who have been acquainted with Mr. Hyde in years past will know that he prides himself on keeping his word.

We trust he may be induced to remain in this city, but should he make up his mind to go elsewhere, The Sun wishes him abundant prosperity. But don't forget that he has bargains for all.

Funeral of Mrs. Cushman.

The funeral of Mrs. E. L. Cushman, the sad death of whom occurred Thursday night, was held from the First Presbyterian Church, of which she was a member, Saturday afternoon at 3 o'clock, and was largely attended by friends of the family and deceased.

Rev. Thos. P. Hay, pastor of the church, conducted the services, assisted in a prayer by Rev. T. J. Nixon of the Methodist church, who was a great friend and spiritual advisor of Mrs. Cushman during her last days. The church was well filled with friends and members of the lodge of Odd Fellows and Knights of Pythias, who assembled to pay the last sad respects.

The floral offerings were numerous, almost covering the handsome casket of white, and were loving tokens from friends.

During the service the choir rendered "Asleep in Jesus" and "He Leadeth Me," two favorite hymns of the deceased, in a most beautiful and impressive manner.

The remains were accompanied to the cemetery by many friends. The ceremonies were concluded there by Rev. Mr. Hay, and all that was mortal of Mrs. Blanche Jarvis Cushman was placed at rest in the grave.

Friends extend sincere sympathy to the bereaved family in this hour of distress.

Looking for Stock Farm Location.

F. J. Osterman of St. Paul, Neb., arrived in the city Friday in search of a location to establish a stock farm. He is an experienced cattle and horse breeder, and if he can find a location that suits him may come here and establish a high grade stock farm. He farms the best breeds, and would be a desirable acquisition to our farming community.

GROWING UP

There's something the matter with the child that fails to grow up. A child that grows up too much, however, without proper filling out of flesh, is almost as badly off. Nothing will help these pale, thin "weedy" children like Scott's Emulsion. It supplies the rounding out of flesh and the rich inward nourishment of blood and vital organs which insures rapid growth a healthy and uniform development.

A SLAUGHTER SALE

For Ten Days of the Endel Clothing Company Stock.

The Morris-Phifer Company, having purchased the stock of clothing, gents' furnishings, shoes, trunks, valises and ladies' furnishings of the Endel Clothing Company, will inaugurate a ten-days' slaughter sale on Thursday, October 19th.

There will be many bargains for the ladies, gentlemen and boys, and as the stock is clean and well selected, this sale will afford an opportunity to save money on every article in the store. The people of the surrounding country should not overlook this sale.

Remember the opening date, October 19th, and lasting ten days. Read the advertisement.

Full of Tragic Meaning

Are these lines from J. H. Simmons of Oseey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough that disturbed my night's rest. I tried everything, but nothing would relieve it, until I took Dr. King's New Discovery for consumption, coughs and colds, which completely cured me." Instantly relieves and permanently cures all throat and lung diseases; prevents grip and pneumonia. At all druggists; guaranteed; 50c and \$1.00. Trial bottle free.

Want Police Protection.

The residents of North Gainesville, who have been taken into the corporate limits of the city under the new city charter, have justly protested against the rowdiness that is practiced day and night in their portion of the municipality. Guns are fired in the streets day and night, and never an officer interferes with the levity. If the city is looking after the burdens inflicted on them in the form of taxes, they will claim they are entitled to police protection. The matter should be looked after.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by all druggists.

The Gracy Mill.

The Gracy mill near this city, which has been shut down for some time, may be sold or removed to some other point, as Mr. Gracy has finished cutting the timber close at hand. He has just returned from a trip to the southern part of the State, where he failed to find any favorable site to locate his mill, owing to excessive freight rates.

A Card.

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious results from a cold. Cures in grippe cough and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. J. W. McCollum & Co.

CANCERS CURED BY RADIUM.

Five Persons Have Been Healed of Disease by New Process.

New York, Oct. 14.—That five persons have been cured of cancer at the Flower hospital by the use of radium coatings on celluloid rods inserted into the diseased parts was the substance of a paper read last night by Dr. William H. Dieffenbach, United States delegate to the International Medical congress at the Hague before the Homeopathic Medical Society of the County of New York. In only one of its cases which he treated, Dr. Dieffenbach said, his efforts met with defeat. In that case the disease was far advanced, Dr. Dieffenbach described his treatment in detail. It consists of dipping celluloid or hard rubber rods into a solution of salts of radium. These rods are then inserted into incisions made in the tumors. The effect of the radio-activity he said, was to destroy the diseased tissue. These are some hopeless cases, where the growth has been spread over large areas.

Professor Hugo Lieber, of this city, has been experimenting in injecting radium into tissues without the use of rods or sheets of celluloid. He said that three cases of tumor and cancer success. This marked a distinct advance in medical knowledge. Though at present the subject was vague they hoped soon to have more light.

Saved His Life.

J. W. Davenport, Wingo, Ky., writes, June 14, 1932: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two fifty cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity." Sold by W. M. Johnson.

American Bankers Adjourn.

Washington, Oct. 14.—The American Bankers' association will conclude its thirty-first annual convention today with a discussion of practical banking questions by the delegates, an address on "Our Commerce," by Mr. Harvey D. Goulder, of Cleveland, O., and the election of officers. The report of the currency committee submitted yesterday may also be taken up for discussion and disposal. Besides concluding their convention, the bankers also will conclude an elaborate program of sight-seeing and entertainment.

Cures Winter Cough.

J. E. Gover, 101 North Main street, Ottawa, Kan., writes: "Every fall it has been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got her a bottle of Hordhood Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stop the cough, and she is able to be up and well." 35c, 50c and \$1. Sold by W. M. Johnson.

Supreme Court Denies Motion.

Butte, Mont., Oct. 14.—The supreme court at Helena has denied the motion of the plaintiff for a rehearing in the famous case of the Nipper company, owner of F. A. Heine, involving millions of dollars, against the Anaconda and Kehoe companies, of the Anaconda Copper company, an action to quit title and involving the ownership of the Nipper vein, in which the supreme court last July reversed the trial judge and ordered the case back for a rehearing.

Mothers

Who would keep their children in good health should watch for the first symptoms of worms, and remove them with White's Cream Vermifuge. It is the children's best tonic. It gets digestion at work so that their food does them good, and they grow up healthy and strong. Sold by W. M. Johnson.

Federal Judge Asked to Resign.

Washington, Oct. 14.—Associate Justice Tucker, of the territorial supreme court of Arizona, has been requested to resign several months ago charges were preferred against Justice Tucker involving his personal conduct as a member of the territorial judiciary. These different charges were presented to the president, and were referred by him to the Department of Justice for investigation.

Come Now Own Up

You don't like those gray hairs, do you? And your husband certainly doesn't like them. Then why not try a bottle of Ayer's Hair Vigor? It restores color to gray hair every time, all the deep, rich color of early life. And it cures dandruff also. Sold for 50 years. F. C. Ayer & Co.

CATARRH FIRST A COLD THEN CATARRH THEN CONSUMPTION

A cold in the head is a common ailment, but it rarely ever stops there. It often grows stubborn and protracted, the mucous membrane, or inner lining of the body, become inflamed and secrete a filthy, unhealthy matter which is absorbed by the blood and soon produces that disgusting disease, Catarrh. Then follow the unpleasant symptoms of "hawking and spitting," ringing noises in the ears, headache, poor appetite, mucus dropping back into the throat, and a feeling of general debility. Every day the blood becomes more heavily loaded with these poisonous secretions, and if the trouble is allowed to run on, the lungs become diseased from the constant passage of poisoned blood through them, and then Catarrh terminates in the most dreaded and fatal of all diseases, Consumption. The only way to get rid of Catarrh permanently is to cleanse the blood, and S. S. S. is the ideal remedy for this purpose. It soon clears the system of all impurities, purges the blood of all Catarrhal matter and poisons, and effectually checks the progress of this dangerous and far-reaching disease. S. S. S. keeps the blood in perfect order so that Catarrh cannot remain; and as this pure, healthy blood goes to every nook and corner of the body, the entire system is strengthened and invigorated, and the symptoms all pass away. Book with information about Catarrh and medical advice free.

S.S.S.
PURELY VEGETABLE.
I had Catarrh for twelve years and suffered agony with headaches, nose stopped up, appetite gone, lost sleep and run-down and unable for work. I read of S. S. S. and commenced taking it, and after taking eleven bottles I found myself a well man. I have never had any return of the disease and I consider S. S. S. the best treatment in the world for Catarrh. EDWARD HEBBAL, No. 1804 Main St., Evansville, Ind.

S.S.S.
